

Thank you for choosing our office for your urological care. Our medical staff and office personnel want you to know that we are dedicated to giving you quality health care and personal service.

In preparation for your first visit with us, we would appreciate your completing the forms on our “Patient Forms” web page **prior** to your office visit. The forms listed on the web page will open in a new browser window. After you have printed each form, please close that browser window to return to the “Patient Forms” web page to access the rest of the forms. Please either fill out the form on your computer and print it or print it out and handwrite the information.

Please bring the following with you at the time of your visit:

- All forms listed on the Patient Forms page of our web site, completely filled out
- Your insurance card(s), along with proper identification such as a driver’s license or social security card
- If applicable, your referral and copay (cash, check, credit card)
- All recent test results, both radiology and laboratory
- All x-ray films (KUB, IVP, CT Scan, Ultrasound, Plain X-ray)
- If you have a Power of Attorney or a Legal Guardian, you must bring a legal document indicating so.

When you arrive for your visit, please give the completed forms, your insurance card(s), referral, any test reports or films, and your copay to our front desk personnel. They will be happy to assist you and answer any questions that you may have at that time. Be prepared to give a urine specimen.

If for any reason you cannot keep your appointment, please call to cancel or reschedule at least 24 hours prior to your scheduled time. This enables us to better serve everyone.

Thank you in advance for your cooperation

Thank you,

Richard E. Landau, MD, FACS  
David S. Altman, MD
